TO THOSE OF YOU STAYING IN AREA HOTELS

Most agility competitors are model guests, but it is becoming increasingly difficult to find hotels that will accept pets due to bad experiences with excessive barking by unattended dogs. Please make it possible to have trials in this area in the future. Never leave your dog(s) unattended in a hotel room.

Eligibility

This trial is open to all dogs **20" and under** and over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance. Dogs must be registered with TDAA to compete. TDAA accepts pending registrations so day of show dog registrations will be accepted. If your dog has been registered with TDAA but their number has not been received, please mark pending in the TDAA number space.

Move Ups

Move ups earned prior to the closing date of the trial must be received by the trial secretary no later than **6:00 PM Monday, March 3, 2025**. All move up requests must be in writing.

The following is a list of obstacles planned for this trial:

A-frame (6' 8")	Teeter (8')
Weave poles (24" centers)	Single and winged jumps
Table (36" by 36")	Tire Jump
Open (Pipe) Tunnel	
Dog walk (8')	

All Contacts will be rubberized.

Warm-Ups: A warm up area consisting of a regulation jump shall be provided for all exhibitors.

Obstacle Familiarization: Handlers may take their dogs over the contact obstacles, and through the tunnel and tire from **8:15 until 8:30 each morning**. Obstacle familiarization will be provided for all dogs entered in the trial on Saturday. On Sunday obstacle familiarization will be provided ONLY to entered dogs that were not entered in the trial on Saturday.

Notice to Exhibitors

*The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

*All dogs must be on leash or crated at all times except when in the ring. No dogs allowed off leash outside.

*It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees will be made.

*Handlers are not allowed to use whistles or other instruments or devices.

*Exhibitors are responsible for being at the ring gate when it is their turn to run.

*Exhibitors may wear shirts or insignia of their training group if they wish.

*At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

*Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

*Obstacles shall meet the specifications for obstacles in the current edition of the TDAA Rules and Regulations.

*This trial shall be judged under the current Rules and Regulations of TDAA.

*Plan to attend the general briefing each day, since all exhibitors and their associates will be responsible for following the instructions given at that time. Failure to attend the briefing does not absolve one from conforming to club rules.

*X-pens and crates can be left at the site overnight. ARF assumes no responsibility for personal items left at the show site.

*Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com

Height Division

The TDAA offers the following Measured Jump Height Divisions: 4", 8", 12", 16"; and the following Jump Heights: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's Measured Jump Height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's Measured Jump Height. Dogs jumping at a height other than their Measured Jump Height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

Jump Height Exemptions (only applicable for National or Regional Competitions):

In national or regional competitions, such as the Petit Prix, dogs are required to jump at their measured height, as adjusted for any jump height exemptions to which they are entitled.

Jump height exemptions are provided for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see k9tdaa.com, TDAA Rules and Regulations, Sec. 3.5.3 for descriptions of jump height exemptions). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs at least 7 years of age) and a second exemption (two jump heights) will be granted to "double digit" veterans (dogs at least 10 years of age). You may subtract one height for veteran status, one for double digit veteran status, and one for body exemption from Measured Jump Height.

They may run on lead. FEO runs do not count toward TDAA titles. FEO will have a maximum time of 1.5 of the SCT. FEO dogs can not repeat any obstacles and no training in the ring is allowed.

Disabled Handlers: Disabled handlers will be allowed an additional 4 seconds in SCT in the Standard Class and in qualifying course time in Games classes. **A copy of a disabled parking permit (or other official documentation) must be sent in with the entry.**

Games Classes

Jackpot Gamblers

Jackpot Gamblers is a nifty variation of the (nearly) traditional gamblers game. The basic premise is that the dogs will score 21 points, do the gamble, and get out. *Jackpot Gamblers* is scored Points, Then Time (ER2)

Rekoons

Rekoons is Snooker played backwards. It is a two-part game. The opening sequence in Rekoons is to perform the numerical sequence 7 – 2. After completing the #7 obstacle (or faulting an obstacle in the opening) the dog is directed to collect points by doing different combinations of red (jumps) and obstacles. *Rekoons* is scored Points, Then Time (ER2)

Lucky 13

Lucky 13 is a dog's-choice game in which obstacles are laid out on a field valued from 1 point to 20 points. The dog may do only 13, without repeating any; earning the value of the assigned numbers as he works. *Lucky 13* is scored Points, Less Faults, Then Time (ER6)

Copycat

Copycat is a dog's-choice game. The handler's job is to avoid taking two obstacles, one after another, of the same point value for which the dog earns a "copycatting" fault. *Copycat* is scored Points, Less Faults, Then Time (ER6)
