Event Details

- ⇒ **What is ACT?** It is an entry-level agility event designed to introduce and welcome pre-novice handlers or dogs to the AKC sport of agility. **Dogs DO need to be proficient with the obstacles. Obstacle instruction will not be given.**
- ⇒ **Who can participate?** Any person with a dog (15 months or older) that meets the requirements for a regular agility trial can enter these events. Your dog does not need to be AKC registered at the time of entry (AKC registration information is available upon request). **Your dog cannot have earned any AKC agility titles in order to participate.**

Here's How It Works:

- BRING YOUR OWN PHONE OR VIDEO CAMERA WITH A FULLY CHARGED BATTERY AND STORAGE! We will provide the equipment and have someone to record your runs and provide the 5-second table count. **Self Recording via a mounted device (chest harness, head harness, recording glasses, etc.) is not permitted.**
- Everyone who signs up will be required to stay until the levels are complete to help set courses.
- Indoor crating will be permitted, but we ask that everyone brings something to put underneath the crates.
- Everyone will have 5 minutes to walk the course and ask questions.
- You will be able to run as many times as you wish in your allotted 5 minutes time slot.
- Treats and Toys are NOT permitted in the ring for the ACT.
- The ACT courses will be nested so that you can run the 2 different courses required to complete your title. You can possibly earn all 4 titles in a day!
- To earn the title, you will need to submit your videos to AKC with their form and pay the fee per run to earn a Q for each run. You will need 2 Q's on two different courses to complete the title. **As this is a virtual event, no Q ribbons or title rosettes will be offered.**
